St. Matthew's Announcements

Adult Fellowship will meet on Sunday, September 9 at 5pm at Farmer's Park for a picnic and games. We will carpool from church at 3pm. Please sign up in the back of church.

100 Anniversary Committee We are looking for members that would be willing to serve on our 100th Anniversary Organization Committee. The celebration is scheduled for the 2020 year. Duties would include coordinating different aspects of this very special occasion such as

services, meals, activities, mailings and utilizing our other church committees as well. If you are interested in serving in this way, you can let any councilmen know or email and/or call Robbie Brown at robbiedbrown@hotmail.com and 608-797-0474

The Birthday/Anniversary Sheet for November is now in place in the back of church. If you have a birthday or anniversary in September, October, or November please jot down your name so your special day can be recognized.

Happy Birthday Our sister in the faith, Lorraine Johnson celebrated her 100th birthday on August 25. If you'd like to send her a card or pay a visit she is in room #339 at Saint Anne of Winona: [1347 W Broadway St, Winona, MN 55987](http://1347WBroadwayStWinonaMn55987).

Parking As you've noticed, parking can be tight around our church during services. We want everyone, especially our guests and the elderly, to be able to park as close as possible to the church. To allow enough room for others please make sure you're only taking up one spot. Thanks for your help!

New Study Join us in the church basement for our first Bible Class this fall as we walk through the book of Galatians. Together we'll learn and discuss what it truly means to be free as Christians. We'll meet on Sundays, September 9 - October 28 10:15 - 11:15 am

Back to School Picnic On Thursday, September 6 at 5:30 p.m. there will be a back to school potluck picnic at LaCanne Park. Families involved in the Sunbeam and Pioneer programs also are invited. This is an excellent opportunity for families to meet the faculty and get to know one another. News from the school, Pioneers, and the Booster Club will be shared that evening.

IMPACT is a WELS youth outreach ministry at Trinity Goodview that has partnered with the Big Brothers Big Sisters Organization in our community, to provide Christian "Faith-based Bigs", to families that are seeking a Christian mentor in the life of their child. IMPACT is currently in need of men and women of all ages that are willing to share their faith, and just a little bit of time, with a child that is looking for a Christian influence in their lives. This is such a wonderful opportunity to point a child to their Savior! It is also an amazing outreach opportunity for us to reach a child, and potentially an entire family, that have their hearts open to The Lord, and may be looking for spiritual guidance in their lives. Please prayerfully consider this great opportunity and contact John Mullen of Goodview Trinity Church if interested at: 507-429-2573, or email John at: johnmullen1977@gmail.com

Sunday School 2018/2019 Jesus said, "Feed my lambs." How will your lambs be fed in Sunday School?

1. We study the Old and New Testaments together for the growth of our souls. We have a different set of lessons from the day school.
2. Our Journey Sundays once a month present the lesson in a different format combined with singing and a special project.
3. We have delicious snacks and juice each week!
4. The children of the church sing together on special Sundays.
5. We're celebrating Grandparents Day on September 9! If you can join your grandchildren for Sunday School that Sunday, please RSVP to Mr. Moll at pmoll@stmatthewswinona.org so that we may have adequate food and supplies. Please join us!
6. Register for Sunday School by calling the church office (452-2085), by filling out a form in the back of church and leaving it in the labeled box, or by coming on September 9!

Thank You!

Check It Out! In case you haven't noticed, the new playground is here! Thank you to all who helped with removing the old, unloading the new equipment and spreading wood chips around the new play area. Special thanks to Jeff Novakoski for overseeing the project. It looks great!
