C. Policy Application to Instructional Equipment/Tools

1. While St. Matthew's Lutheran School takes a firm "Zero Tolerance" position on the possession, use, or distribution of weapons by students, and a similar position with regard to nonstudents, such a position is not meant to interfere with instruction or the use of appropriate equipment and tools by students or nonstudents. Such equipment and tools, when properly possessed, used, and stored, shall not be considered in violation of the rule against the possession, use, or distribution of weapons. However, when authorized instructional and work equipment and tools are used in a potentially dangerous or threatening manner, such possession and use will be treated as the possession and use of a weapon.

D. Firearms in School Parking Lots and Parking Facilities

1. A school district may not prohibit the lawful carry or possession of firearms in a school parking lot or parking facility. For purposes of this policy, the "lawful" carry or possession of a firearm in a school parking lot or parking facility is specifically limited to nonstudent permit-holders authorized under Minn. Stat. §624.714 to carry a pistol in the interior of a vehicle or outside the motor vehicle for the purpose of directly placing a firearm in, or retrieving it from, the trunk or rear area of the vehicle. Any possession or carry of a firearm beyond the immediate vicinity of a permit-holder's vehicle shall constitute a violation of this policy.

V. CONSEQUENCES FOR STUDENT WEAPON POSSESSION / USE / DISTRIBUTION

- A. St. Matthew's Lutheran School takes a position of "Zero Tolerance" in regard to the possession, use, or distribution of weapons by students. Consequences for students possessing, using, or distributing weapons may include, but are not limited to:
1. immediate out-of-school suspension;
 2. confiscation of the weapon, if safely possible;

- C. Administrative Discretion
1. While St. Matthew's Lutheran School takes a "Zero Tolerance" position on the possession of weapons by students, the principal or superintendent may use discretion in determining whether, under the circumstances, a course of action other than the minimum consequences specified above is warranted. If so, other appropriate action may be taken, including consideration of a recommendation for lesser discipline.

VI. CONSEQUENCES FOR WEAPON POSSESSION / USE / DISTRIBUTION BY NONSTUDENTS

A. Employees

1. An employee who violates the terms of this policy is subject to disciplinary action, including suspension or discharge as deemed appropriate by the St. Matthew's Lutheran School Board of Education.
2. Sanctions against employees, including suspension or discharge shall be pursuant to and in accordance with applicable statutory authority, and Board of Education policies together with consultation with the Wisconsin Evangelical Lutheran Synod.
3. When an employee violates the weapons policy, law enforcement maybe notified, as appropriate.

B. Other Nonstudents

1. Any member of the public who violates this policy shall be informed of the policy and asked to leave the school location. Depending on the circumstances, the person maybe barred from future entry to school locations. In addition, if the person is a student in Minnesota I.S.D. 861 or another school district, that school district may be contacted concerning the policy violation.
2. If appropriate, law enforcement will be notified of the policy violation by the member of the public and may be asked to provide an escort to remove the member of the public from the school location.
